

## GRANDMASTER C.K. CHOI SEMINARS FEBRUARY/MARCH 2012.

Dear Instructors,

Due to some typographical errors on the previous information and a change of venue, please find an amended information sheet on the seminars, along with a booking form and a dinner dance booking form.

The seminars will be one and a half hours in duration and split into 2 groups. The first seminar will be for yellow, green, blue and red belts and the second seminar for black belts only.

Children are permitted over the age of 12 years old; however, if you have a student who is younger than this and you think they are capable of doing the seminar, please speak to your area representative.

**ONLY WHITE TAGB DOBOKS ARE PERMITTED AT THESE SEMINARS.**

This will most likely be the last chance you and your students will have to train with this original taekwon do pioneer and most senior taekwon do grandmaster in the world today. As from 2013 Grandmaster Choi will stop traveling the world and only conduct seminars in his home country of Canada, so don't miss this opportunity to train with this great legend of TKD, as this will be your very last chance! So it is an opportunity not to be missed!

The cost of each seminar is £25 per person.

Booking form and cash or cheque payment to be returned to your instructor by Sunday 5<sup>th</sup> February 2012.

There are limited places available so will be on a first come first served basis.
